

GRANVILLE SQUARE

An urban oasis nestled in the heart of Perimeter Center, the Granville is an inviting tower of condominium homes and a private retreat where residents enjoy complimentary concierge services with maintenance-free living.

Interior Highlights

Live Largely. Spacious, vaulted floor plans welcome you and guests comfortably. Marvel at the beautiful hardwood flooring. The jazzy color schemes make a fine complement. Enjoy elongated windows, gas fireplaces, wall alcoves, and panoramic balcony views of the city skyline. It's a space an empty-nester or young professional can appreciate.

Chef-Inspired Kitchens. Open to the living areas, each is fully equipped with stainless steel appliances. Quartz or granite countertops provide ample space as well as the exquisite cabinetry. There's a choice of Travertine or hardwood flooring here too. Contemporary track lighting adequately sheds light on everything.

Total Bedroom Bliss. Your dreams will come true day or night with the large hardwood or custom carpeted bedrooms. Step out of the glass-ensconced doors to take in extraordinary views from the balcony. The walk-in closets have space enough to accommodate every wardrobe or shoe enthusiast.

Bath or Spa? You decide and make it your personal sanctuary. Each is aesthetically-enriched with floor-to-ceiling wall dividers for storage and decor inspiration. Pedestal and her/his sink options available.
